

Transportation

Dale Underwriting Partners (DUP) is an independent, owner-managed business with a proposed stamp capacity of £280m for 2023.

The DUP Transportation team are a leading provider of Commercial insurance products for the long-haul trucking industry in North America.

From Alaska to Florida, our Transportation offering includes both Commercial Auto Physical Damage and Motor Truck Cargo coverage across every state in the USA.

Our team is made up of highly experienced and successful underwriters backed by the financial strength and security of London's Lloyd's market. Bringing a wealth of expertise, we provide efficient and innovative insurance solutions to our customer base.

Products can be written on a standalone or combined basis, and each "surplus lines" policy is created with the aim to create a secure future for our customer.

Our target client base consists of Commercial fleet (owned asset) of 10 power units or more. We offer a range of deductible options on either a per unit or a per occurrence basis, and premium payment options are available.

Coverage enhancements include:

- Downtime/Rental re-imbursement
- Lease GAP coverage
- Flexible Towing and Storage limits
- Trailer Interchange / Unspecified Trailer coverage
- Refrigeration Breakdown coverage
- Temporary substitute vehicle coverage for up to 30 days

Handling your claim

When it comes to claiming, efficiency is key. Our Claims Team works alongside our funded Third-Party Adjuster who will always put our insureds needs first. We know that a tractor sitting idle in a repair yard has a knock-on effect on revenue, so our goal is to turn claims around in double-quick time and get the rig back on the road.
